

## All About Photo Announces the Winners of AAP Magazine #13 Shapes

FOR IMMEDIATE RELEASE : SAN DIEGO OCTOBER 5, 2020

We're delighted to reveal the names of the 25 talented photographers who won "AAP Magazine #13: Shapes"

For this 13th edition of AAP Magazine, we were looking for submissions of works of art that explore composition and form as a fundamental aspect of the photographic aesthetic, be it pure visual formalism or in support of a thematic objective.

We chose twenty-five photographers (from 11 different countries) for their different approach to the idea of Shapes. Their work is diverse: documentary, architecture, nudes, still life, abstractions... and use different techniques & perspectives but each one showcases a unique point of view.

Selecting the winners was certainly not an easy task, but in the end we hope you will all enjoy this collection of photographs.

The Winner of AAP Magazine 13 Shapes is JP Terlizzi (USA) with his series "The Good Dishes".

The Second Place Winner is Wendel Wirth (USA) with her series "This is the Place".

The Third Place Winner is Klaus Lenzen (Belgium) with his series "Architecture Minimal".

## About AAP Magazine

All About Photo invites dedicated and passionate photographers from all around the world to share their work in its printed edition. Each issue is central to a specific theme and provides a gallery of inspiring imagery, focusing on each artist with their own experience to share.

We are honored to be a part of the process of jurying work from such an amazing call for entry and to be able to design such a beautiful, hand-curated publication of the best contemporary photography. We showcase exclusively the winners of AAP Magazine's call of entries organized by All About Photo all year long.

With an eye towards beauty, quality and novelty, we strive to promote portfolios which stand out for their unique visual signature style and character. Our goal is to help photographers get the exposure we think they deserve and to inspire the others with ideas, projects and goals to help develop their own photography.
