

All About Photo Announces Winners of the AAP Magazine #21 Colors

FOR IMMEDIATE RELEASE : SAN DIEGO OCTOBER 27, 2021

We're delighted to reveal the names of the 24 talented photographers who won "AAP Magazine #21: Colors."

Life is a stream of colors. Red, blue, yellow, and all the possible combinations in between surround us everywhere.

For this 21st edition of AAP Magazine, we were looking for submissions of works of art in which the only limit to creativity was the photographer's imagination.

We chose twenty-four photographers (from 12 different countries and 4 continents) for their different approach to color photography. Their color palette is diverse: bold, vibrant as well as pastel, or even monochromatic but each time their conscious choice adds to the photograph's esthetic appeal and convey sensory pleasure.

The Winner of AAP Magazine 21 Colors is Vitaly Golovatyuk (Russian Federation) with his series “*Hidden gem of Moscow*”
