

## All About Photo Announces Winners of the AAP Magazine #22 Streets

FOR IMMEDIATE RELEASE : SAN DIEGO DECEMBER 9, 2021

We're delighted to reveal the names of the 25 talented photographers who won "AAP Magazine #22: Streets". They come from 14 different countries and 4 continents!

John Maloof wrote " A good street photographer must be possessed of many talents: an eye for detail, light and composition, impeccable timing, a populist or humanitarian outlook and a tireless ability to constantly shoot, shoot, shoot and never miss a moment."

The twenty-five winning photographers did just that and captured life in towns and cities around the world.

For this 22nd edition of AAP Magazine, we were looking for the heart and soul of a society and its people. Whether photographed in the countryside, or in an urban setting, the images we chose reflect the diversity of the photographers background and approach to street photography. Thanks to their ability to grasp decisive moments, they allow us to become a spectator of their wanderings, a curious observer of people's behavior.

Selecting the winners was certainly not an easy task, but in the end we hope you will all enjoy this collection of weird and wonderful stolen moments.

The Winner of AAP Magazine 22 Streets is Denis Karasev (Russian Federation) with his image *"The Dragon"*

## About AAP Magazine

All About Photo invites dedicated and passionate photographers from all around the world to share their work in its printed edition. Each issue is central to a specific theme and provides a gallery of inspiring imagery, focusing on each artist with their own experience to share.

We are honored to be a part of the process of jurying work from such an amazing call for entry and to be able to design such a beautiful, hand-curated publication of the best contemporary photography. We showcase exclusively the winners of AAP Magazine's call of entries organized by All About Photo all year long.

With an eye towards beauty, quality and novelty, we strive to promote portfolios which stand out for their unique visual signature style and character. Our goal is to help photographers get the exposure we think they deserve and to inspire the others with ideas, projects and goals to help develop their own photography.
