

All About Photo Announces Winners of the AAP Magazine #27 COLORS

FOR IMMEDIATE RELEASE : LOS ANGELES, OCTOBER 31, 2022

We're delighted to reveal the names of the 25 talented photographers who won **AAP Magazine #27: Colors**.

Everything around us is an array of colors, from the green grass we walk on to the blue sky above. The world we see is anything but black and white. What would our world be like if we could not see color?

Colors are one of the many things that play a part in our daily lives, whether we know it or not. In fact, research has shown that colors can portray many different feelings, moods, and even thinking. No wonder photographers are fascinated by colors.

For this 27th edition of AAP Magazine, we were looking for work that would celebrate colors. In the end, we chose twenty-five photographers (as it happens a majority of women!) from 15 different countries and 5 continents. Their color palette is diverse: bold, vibrant as well as pastel, or even monochromatic but each time their conscious choice adds to the photograph's esthetic appeal and conveys sensory pleasure.

The Winner of AAP Magazine 27 Colors is Christine Fitzgerald (Canada) with the series "Captive"

About AAP Magazine

All About Photo invites dedicated and passionate photographers from all around the world to share their work in its printed edition. Each issue is central to a specific theme and provides a gallery of inspiring imagery, focusing on each artist with their own experience to share.

We are honored to be a part of the process of jurying work from such an amazing call for entry and to be able to design such a beautiful, hand-curated publication of the best contemporary photography. We showcase exclusively the winners of AAP Magazine's call of entries organized by All About Photo all year long.

With an eye towards beauty, quality and novelty, we strive to promote portfolios which stand out for their unique visual signature style and character. Our goal is to help photographers get the exposure we think they deserve and to inspire the others with ideas, projects and goals to help develop their own photography.
