

All About Photo Announces Winners of the AAP Magazine #28 STREETS

FOR IMMEDIATE RELEASE : LOS ANGELES, DECEMBER 1, 2022

We're delighted to reveal the names of the 25 talented photographers who won **AAP Magazine #28: Streets**. They come from 14 different countries and 4 continents!

Robert Doisneau wrote *"The marvels of daily life are exciting; no movie director can arrange the unexpected that you find in the street."*

And we were not disappointed by all the wonderful images that we received!

For this 28th edition of AAP Magazine, we were looking for the heart and soul of a society and its people. Whether photographed in the countryside, or in an urban setting, the images we chose reflect the diversity of the photographers background and approach to street photography. The twenty-five selected photographers have many talents, an eye for detail, light and composition. Thanks to their ability to grasp decisive moments, they allowed us to become a spectator of their wanderings, a curious observer of people's behavior.

Selecting the winners was certainly not an easy task, there were so many incredible single shots from around the world, but in the end we hope you will all enjoy this collection of weird and wonderful stolen moments.

The Winner of AAP Magazine 28 Colors is Olga Karlovac (Croatia) with the series “Escape”
